This year's Meadow View Ranches and Cedar Ridge Farms Production Sale will be one of the most important Shorthorn-Polled Shorthorn Sales on the Sales calendar.

IMPORTANT because the Thiedes have been continually producing beef-improving Shorthorns for over sixty-five years, giving their customers built-in uniformity and, many believe, near-hybrid vigor to even straight bred Shorthorns.

IMPORTANT because the Brockmuellers bring their customers performance tested Polled Shorthorns that can meet the most critical demands of registered breeders and rangemen alike.

The joining of these two herds for this Sale makes it possible for buyers to acquire the very best in both Shorthorns and Polled Shorthorns at the same place on the same day.

**PUT THIS IMPORTANT SALE ON YOUR CALENDAR — YOU'LL BE GLAD YOU DID!**

Dave Brockmueller, Cedar Ridge Farms

# CEDAR RIDGE

## The Herd Built On Performance Testing

Cedar Ridge Farm has maintained its registered Polled herd since 1948, but Polled Shorthorns have played a part in the beef cattle program for 60 years.

Dave is a firm believer in Performance Testing as evidenced by the fact that Cedar Ridge has been on South Dakota Livestock Production Records since 1958.

The Cedar Ridge herd has been a popular source for commercial breeders looking for more growth and gaining ability. The breeding program is working at Cedar Ridge. Won't you let it work for you?

**SELLING**
